

EGYPT TOTAL SOLAR ECLIPSE TOUR 2027

NILE CRUISE & CAIRO EXPERIENCE

8 days/7 nights

Join our rare and extraordinary Solar Eclipse Tour, where you will discover Egypt's most iconic destinations and experience a magical Nile Cruise on one of the most beautiful rivers in the world.
Following the great success of the Solar Eclipse Tour we organized in Türkiye in 2006, our experienced team is now proud to present this once-in-a-lifetime Solar Eclipse experience in Egypt.
On August 2, 2027, in Luxor, the sky will suddenly transform. At 13:02, daylight will begin to fade, giving way to darkness for an incredible 6 minutes and 23 seconds. This will be one of the longest and most spectacular total solar eclipses of the 21st century. The eclipse will begin at 13:02, reach its peak at 13:05, and end at 13:08. During those magical minutes, the sky will darken, silence will fall, and you will witness an unforgettable moment in one of the world's most ancient cities.
This extraordinary event will be the longest total solar eclipse seen since 2009, making it a truly rare global phenomenon. By joining this exclusive program, you will have the opportunity to witness this incredible moment firsthand. This journey is not only about the sky—it is also about history. Over 8 unforgettable days, you will cruise along the Nile, following the footsteps of civilizations that date back thousands of years, all while approaching this extraordinary celestial event. A once-in-a-lifetime experience that cannot be described in words. You will live this unique moment surrounded by Egypt's most fascinating historical treasures and the magical atmosphere of the Nile.
While witnessing one of the rarest solar eclipses in the world, you will also be part of an unforgettable 8-day journey.One single experience: the rarest moment in the sky, the magic of the Nile, and the timeless heritage of Ancient Egypt. Discover the wonders of Ancient Egypt on an unforgettable journey combining the fascinating history of the Pharaohs, the timeless beauty of the River Nile and the extraordinary experience of witnessing a Total Solar Eclipse.
