7 days – 6 nights

Flowing from the Alps to the North Sea, the **Rhine River** is not only one of Europe's most important waterways, but also one of its most historic wine corridors. Along its banks lie centuries of viticulture, medieval castles, Gothic cathedrals, and vineyard-covered hills that have inspired poets, painters, and winegrowers alike. This **7-day fly & drive journey** invites travelers to experience the **Rhine** at their own pace, combining prestigious wine regions, UNESCO-listed landscapes, and timeless towns, all with the comfort and flexibility of a luxury self-drive itinerary.

Beginning and ending in **Frankfurt**, the route follows the **Rhine** through **Rheinhessen**, the **Rheingau**, the **Middle Rhine Valley**, and the **Ahr Valley**, offering an exceptional overview of **Germany's** most classical **Riesling** and **Pinot Noir** terroirs. Guests will taste elegant **Rieslings** from south-facing river slopes, discover the refined **Pinot Noirs** of **Assmannshausen** and the **Ahr Valley**, and meet renowned producers whose wines have shaped **Germany's** international reputation.

The journey is carefully designed around two main hotel bases, allowing relaxed day trips without the need to change hotels frequently. From each base, travelers explore wine villages, castles, and historic cities within short driving distances, enjoying scenic river roads and vineyard panoramas. Wine tastings are complemented by visits to iconic castles such as **Marksburg** and **Rheinfels**, medieval towns like **Bacharach**, and cultural centers including **Mainz** and **Koblenz**.

This **Rhine fly & drive** tour is ideal for independent wine travelers, couples, or small private groups seeking a sophisticated, immersive, and unhurried exploration of **Germany's** wine heritage, framed by one of **Europe's** most legendary rivers.

DAY 1 FRANKFURT – MAINZ Arrival day

Arrival at Frankfurt International Airport, where you will pick up your rental car and begin your journey westward toward the Rhine. The drive to Mainz takes less than one hour and introduces the gentle vineyard landscapes of Rheinhessen, Germany's largest wine region. Mainz, located at the confluence of the Rhine and Main rivers, is a city with over 2,000 years of history. Founded by the Romans, it later became a powerful ecclesiastical center and the birthplace of Johannes Gutenberg, inventor of the printing press. After check-in at the hotel, enjoy a relaxed walk through the old town, visiting the impressive Mainz Cathedral, whose red sandstone towers dominate the skyline. The evening is at leisure, with the option to dine in a traditional wine tavern serving regional dishes paired with Rheinhessen wines. Overnight in Mainz.

DAY 2 MAINZ Rheingau wine region: Rüdesheim, Geisenheim & River scenery

Breakfast at the hotel. Today is dedicated to the Rheingau, one of Germany's most prestigious wine regions, located just across the Rhine from Mainz. Here, the river makes a unique bend, allowing vineyards to face south and capture optimal sunlight, producing some of the country's most elegant Rieslings. Drive along the river to Rüdesheim, a lively wine town surrounded by steep vineyards. Ride the cable car above the vines for panoramic views of the Rhine Valley before continuing to Geisenheim, home to Germany's historic wine university. Visit Weingut Schloss Johannisberg, considered the birthplace of late-harvest Riesling, for a guided tasting overlooking the Rhine. Continue to Weingut Kloster Eberbach, a former Cistercian monastery whose vaulted cellars and historic presses reveal centuries of monastic winemaking. Return to Mainz in the late afternoon via scenic river roads. Evening at leisure. Overnight in Mainz. (B)
