# 3<sup>rd</sup> RALLY EUROPE 2026

## 21 days – 20 nights

Your adventure in the **THIRD RALLY EUROPE** begins the moment you collect your vehicle and head out of **Frankfurt**—gateway to a route shaped by history, culture, and the ever-changing landscapes of Central and Eastern Europe. This itinerary invites you to drive across regions once ruled by emperors and kingdoms, to walk through cities that shaped revolutions and art movements, and to soak in the charm of towns where time seems to flow at its own rhythm.

This second rallye can stand proudly on its own, offering an extraordinary sequence of destinations—**Berlin**'s living history, **Prague**'s fairytale skyline, **Vienna**'s imperial grace, **Budapest**'s Danube panorama, **Zagreb**'s old-world charm, and the sun-kissed Adriatic shores that lead you from **Poreč** to **Split** and **Dubrovnik**, where ancient walls watch over turquoise waters. From there, the adventure crosses the sea as you board a ferry to **Italy**, arriving refreshed for the final stage of your journey into timeless **Rome**. But the **THIRD RALLYE EUROPE** is also designed with flexibility in mind. If you dream of turning your experience into a grand trans-European expedition, you can easily combine the **FIRST** and **THIRD RALLIES**. Although the two itineraries do not meet seamlessly by road, the connection is simple: After finishing the **FIRST RALLYE** in **Marseille**, you can take a quick flight to **Frankfurt**, where the **THIRD RALLY** begins. Your rental car, accommodations, and logistics are arranged upon arrival, ensuring a smooth transition between both adventures. With this option, the Rally Europe experience transforms into a panoramic sweep across Western, Central, and Southern Europe—an unforgettable journey made of two perfectly coordinated chapters.

Just like all **RALLY EUROPE** programs, the **THIRD RALLY** is also fully customizable. You may start at any point along the itinerary, join only the segment that inspires you most, or extend your trip into other regions. Whether you begin in **Frankfurt**, **Berlin**, **Vienna**, **Budapest**, **Zagreb**, **Split**, **Dubrovnik**—or even **Rome**—your departure city becomes the first page of your own story.

This rallye blends the excitement of open-road discovery with the comfort of curated hotels, route guidance, local experiences. Every day reveals something new: medieval lanes, imperial palaces, dramatic coastlines, mountain horizons, and vibrant capitals. It is a journey shaped not only by the destinations you reach, but by the freedom you feel as you drive from one unforgettable moment to the next. The **THIRD RALLYE EUROPE 2026** is more than a route—it is a continuation, an expansion, or a beginning. Whichever way you choose to follow it, the road awaits you.

Start your engine. Your next chapter begins now. Start your engine—and let the journey continue. You will decide which auto you want to drive and we will help you on the decision.
