

# ISTANBUL, BODRUM, FETHIYE & ANTALYA

## 9 days/ 8 nights

Some destinations are visited. Others are felt. **Turkey** belongs unmistakably to the second kind. This exclusive private journey invites you to experience a land where continents converge, civilizations rise and fall, and beauty reveals itself at every turn. From the timeless grandeur of **Istanbul** to the turquoise shores of the **Aegean** and **Mediterranean**, this carefully crafted itinerary is an invitation to slow down, explore deeply, and fall in love with a country that has enchanted travelers for thousands of years.

Your adventure begins in **Istanbul** — a city unlike any other on earth. Here, East and West exist in perfect harmony, where minarets pierce the skyline, ancient palaces reflect on the Bosphorus, and centuries of history unfold with every step. You will wander through imperial courtyards, sail between two continents, and experience the rhythm of a city that has been the heart of empires. From the energy of **Istanbul**, the journey flows south to the **Aegean** coast, where life takes on a softer, sun-kissed pace. **Bodrum** welcomes you with whitewashed houses, cobalt waters, and echoes of ancient **Halicarnassus** — a place where mythology, elegance, and modern luxury meet. Further along the coast, **Fethiye** reveals nature at its most breathtaking: hidden coves, pine-clad mountains, and waters so clear they seem unreal.

The final chapter unfolds along the **Turkish Riviera** in **Antalya**, where golden beaches, Roman gates, and dramatic mountain backdrops create a perfect farewell. Whether you choose peaceful moments by the sea or unforgettable adventures inland, every day offers freedom, comfort, and discovery. Traveling privately means traveling differently. With hand-selected hotels, seamless transportation, and knowledgeable local guides, every detail is designed around you. This is not just a tour — it is a curated experience, blending culture, relaxation, and inspiration into one unforgettable journey.

Come discover **Turkey** not as a destination, but as a story — one that will stay with you long after the journey ends.
