

TOTAL SOLAR ECLIPSE IN EGYPT 2027 HURGHADA & LUXOR EXPERIENCE

6 Days / 5 Nights

A UNIQUE EXPERIENCE BETWEEN THE SKY AND THE HISTORY OF EGYPT

On August 2, 2027, Egypt will be one of the privileged locations to witness one of the longest and most spectacular total solar eclipses of the 21st century.

We invite you to experience a truly extraordinary day with our exclusive one-day excursion from Hurghada to Luxor, where the majesty of one of the most impressive natural phenomena in the universe will meet the monumental legacy of Ancient Egypt.

On August 2, 2027, in Luxor:

- Eclipse begins: 13:02 (1:02 PM)
- Maximum totality: 13:05 (1:05 PM)
- End of totality: 13:08 (1:08 PM)
- Duration of totality: 6 minutes and 23 seconds.

At 13:02 (1:02 PM), daylight will begin to fade. Gradually, the sky will transform until daylight gives way to an awe-inspiring darkness. For 6 minutes and 23 seconds, you will have the privilege of witnessing an extraordinary celestial spectacle: a total solar eclipse, a rare phenomenon that turns a few fleeting moments into a lifelong memory.

The Nile Valley will be enveloped in a magical, almost surreal atmosphere. Nature, silence and the vastness of the sky will combine to create an experience that is difficult to describe in words and absolutely impossible to forget.This experience goes far beyond an astronomical event. It is a unique opportunity to combine one of nature's greatest spectacles with the discovery of one of the most fascinating civilizations in history.

During our visit to Luxor, you will have the opportunity to discover two of its most iconic treasures:

- The Valley of the Kings: The eternal resting place of the great pharaohs of Ancient Egypt, whose tombs preserve extraordinary evidence of a millennia-old civilization.
- An experience to remember for a lifetime: Imagine watching day turn into night while standing in the heart of the ancient Egyptian civilization. An extraordinary encounter between the grandeur of the universe and the timeless legacy of history.

At the end of this unforgettable day, you will return to Hurghada with much more than photographs: you will carry with you the memory of having witnessed an exceptional natural phenomenon and discovered some of Egypt's most extraordinary treasures.

ONE DAY. TWO WORLDS. ONE UNFORGETTABLE EXPERIENCE!!!

PROGRAMME

Day 2 – July 31, 2027: Private Transfer and Leisure Time (D)

Enjoy a comfortable private transfer service in Hurghada. The rest of the day will be at leisure, giving you time to relax, enjoy the hotel facilities and prepare for the extraordinary astronomical event that awaits us.

Day 3 – August 1, 2027 | Leisure Day in Hurghada (All-Inclusive)

Enjoy a full day exploring the beauty of Hurghada and the wonderful surroundings of the Red Sea. Relax by its crystal-clear waters, make the most of the hotel facilities and recharge your energy ahead of our exciting excursion to Luxor to witness the total solar eclipse.

Day 4 – August 2, 2027: The Ultimate Experience: Total Solar Eclipse ★

(Lunch, snacks and drinks included)

The most eagerly anticipated day of our journey has finally arrived!

Today, we will experience the event that makes this journey truly extraordinary: the total solar eclipse over Luxor. Early in the morning, we will depart from Hurghada and head towards Luxor, where we will travel to a specially selected location to enjoy the eclipse viewing experience.

At 1:02 p.m., the celestial spectacle will begin. Gradually, daylight will give way to an eerie twilight until the sky plunges into complete darkness for 6 minutes and 23 seconds, with the moment of maximum totality occurring at 1:05 p.m. An exceptional experience that will allow us to witness one of the most spectacular natural phenomena of the 21st century.

Following this extraordinary event, we will continue exploring some of Luxor's most iconic historical treasures, visiting the legendary Valley of the Kings and the magnificent Luxor Temple.

After a remarkable day combining the grandeur of the universe with the fascinating history of Ancient Egypt, we will begin our private transfer back to Hurghada.

Day 5 – August 3, 2027 | Leisure Day or Optional Orange Bay Elite Excursion (All-Inclusive)

Enjoy a relaxing day at leisure in Hurghada and make the most of your stay on the Red Sea.

Optional Excursion: Orange Bay Elite

If you wish to extend your experience, we invite you to join an exclusive boat trip to the paradise island of Orange Bay. Enjoy an unforgettable day sailing across the crystal-clear waters of the Red Sea, snorkelling among fascinating underwater landscapes and relaxing on beautiful white-sand beaches. The experience includes a delicious seafood buffet lunch served on board, in a privileged setting surrounded by tropical scenery and turquoise waters.

Day 6 – August 4, 2027: Departure and Farewell to Egypt (Breakfast Included)

After your final breakfast at the hotel, our representative will accompany you to Hurghada International Airport for your international return flight.

And so, an extraordinary journey comes to an end, but the memories will last forever: the magic of Ancient Egypt, its thousand-year-old monuments and, above all, the privilege of having witnessed a total solar eclipse in the legendary land of the Pharaohs.

Thank you for travelling with us and for being part of this unique and truly unforgettable experience!
