# HACIENDAS DE YUCATAN

14 days / 13 nights

Including 7 days ALL INCLUSIVE at Riviera Maya

We would like to propose for your next vacation with family and/or friends, as well as for your (second?) honeymoon, luxury accommodations housed in ornate colonial mansions. The elegance and freshness of the Yucatan Peninsula is reflected in the haciendas scattered throughout the region's low-lying lowland forests. These outstanding buildings experienced their heyday at the turn of the twentieth century and are again known worldwide for their luxury and simplicity. We offer you on this trip a selection of the best Haciendas, among a wide range of accommodations: from the small and private **Hacienda Misné** to the majestic **Hacienda Temozón**, which offer their visitors a magnificent red façade and a swimming pool, where you can enjoy the intense Blue sky of the Yucatán Peninsula. Although every Hacienda boasts unique details, its success can be traced back to a common feature: the meticulous decoration gives the visitor the feeling of being immersed in another era. The elegant freshness relaxes the senses, and the visitor loses any sense of time; the hospitality with which you are received gives you the impression of being the owner of the hacienda.

But not only your accommodation is the highlight of this adventure. We have selected the best excursions on the region, including a few days at the Beach in one of the best ALL INCLUSIVE estates at the Riviera Maya. Come with us to Yucatan and live your luxury adventure!
