

# PURE ADRENALINE IN COSTA RICA

## 8 days / 7 nights TOURIST CLASS

*If you really want to experience adrenaline, heights, vertigo and extreme emotions this is your ideal package; allow yourself to enjoy quality adventures, natural wonders that complement them, and spectacular views. Challenge your body, your fears and live pure adrenaline during your ride on the Pacuare river rapids, as well as during the challenging walks that will take you back to the time of the dinosaurs through their fumaroles, boiling mud pots and that typical smell of sulfur. Extreme vertigo comes while flying through the trees, combining climbing, rappel, Tarzan-style swings and a crossing over the narrow canyon of a river. It's time to lower the decibels on a horseback ride that as a final reward ends at a spectacular waterfall where you can bathe in its refreshing waters. Do not leave aside the beautiful paths crossing the cloud forest, filling it with mysticism and giving you a great sensory experience while passing a few centimetres over the highest branches of the treetops, or simply appreciate the immensity of the forest in front of your eyes. Only for the brave and adrenaline-loving, since at the end of this package you will have forgotten your worries, overcome your fears and will find yourself full of renewed energy.*
