

TOTAL SUN ECLIPSE IN LUXOR, EGYPT

July 28th – August 5th, 2027

Imagine standing amidst the timeless wonders of **Luxor**, surrounded by the echoes of an ancient civilization, as you witness the longest **sun eclipse** of the century in its full glory. This extraordinary journey through **Egypt** combines the splendor of its cultural heritage with the awe-inspiring beauty of a celestial event, promising an experience like no other. Begin your adventure in **Cairo**, where the timeless **Pyramids of Giza** and the enigmatic **Great Sphinx** rise majestically from the sands. Explore the treasures of the Egyptian Museum, where millennia of art and artifacts, including the dazzling treasures of Tutankhamun, transport you to a world of gods and pharaohs.

From **Cairo**, the journey continues south to **Aswan**, a gateway to the tranquil beauty of the **Nile River**. Cruise in luxury as the river guides you to ancient wonders, including the grand temples of **Philae** and **Kom Ombo**, dedicated to deities revered by generations past. At **Edfu**, marvel at the Temple of Horus, one of the best-preserved shrines of ancient **Egypt**, before reaching the historical city of Luxor, a true open-air museum.

Luxor's treasures, including the **Valley of the Kings**, the **Temple of Hatshepsut**, and the imposing **Karnak Temple**, become the stage for an unforgettable moment. As the sun aligns perfectly with the heavens, the **solar eclipse** transforms the sky, casting an ethereal glow over this sacred land. This rare celestial spectacle becomes even more profound when experienced amidst the architectural grandeur of ancient Egypt.

The adventure then shifts to **Hurghada's** serene coastline, offering relaxation and leisure by the Red Sea. Conclude your journey back in **Cairo** with a magical dinner cruise on the Nile, featuring traditional music and dance, before bidding farewell to this land of endless enchantment.

Whether it's the allure of history, the marvels of the cosmos, or the natural beauty of Egypt that calls to you, this journey promises memories that will last a lifetime. Book now and let Egypt's wonders captivate your heart and soul.

On **August 2, 2027**, **Luxor** will be one of the prime locations worldwide to experience a rare celestial event—a total solar eclipse lasting an astonishing **6 minutes and 22 seconds**. The eclipse will commence at 11:40 am local time, reaching its maximum at 1:05 pm, and concluding by 2:26 pm. This extraordinary event offers a unique opportunity to witness the Moon completely obscuring the Sun, casting Luxor into daytime darkness.
