

FEATURING 2026-2027 ASTRO TOURISM

CHASING THE SUN SOLAR ECLIPSES 2026 & 2027

Experience the awe-inspiring phenomenon of a total solar eclipse in some of the most breathtaking destinations around the world. As experts in **astro-tourism**, we invite you to join us for four extraordinary celestial events in 2026 and 2027, combined with immersive cultural and natural explorations.

The Events

August 12, 2026: Witness the eclipse in **Spain**, where the path of totality will grace the scenic northern regions. From historic cities like **Bilbao** to the stunning landscapes of Asturias, this event promises an unforgettable experience.

August 12, 2026: Simultaneously, **Iceland** offers a dramatic backdrop of glaciers, volcanic landscapes, and pristine skies for eclipse viewing, providing a unique perspective on this celestial spectacle. Discover the Land of Fire and Ice with excursions to geysers, waterfalls, and the iconic Blue Lagoon.

August 2, 2027: **Luxor, Egypt**, becomes the ultimate destination for eclipse enthusiasts. Against the backdrop of the Nile and ancient wonders like Karnak Temple and the Valley of the Kings, this eclipse offers a journey through time and space. Step into the cradle of civilization with guided tours of Egypt's ancient temples, tombs, and monuments along the Nile.

August 2, 2027: **Spain** once again hosts the path of totality, this time illuminating the southern regions. Experience the magic of **Andalusia**, from the Moorish architecture of Granada to the sunlit coastlines of the Mediterranean. Indulge in local cuisine, visit iconic landmarks like the Alhambra, or relax on pristine beaches.
