

# BEST OF EGYPT AND THE RED SEA

## 10 Days/ 9 Nights

*Come to Egypt to experience not only culture and one of the most incredible ancient Empires of the world but to enjoy and relax for a couple days at one resort in Hurghada at the Red Sea. But before relaxing, you will visit ancient Egypt starting in Cairo with the new Egyptian Museum, then you will use the Night Train to get to Aswan and get onboard the ship to start your Nile Cruise. During the cruise you will visit the most important archeological sites along the river, Kom Ombo, Edfu, Horus Temple, Karnak and the West Bank in Luxor. Well deserved, you will continue to your resort at the Red Sea. Our suggestion is Hurghada, that was founded in the early 20th century. For many decades it was a small fishing village, but it has grown into a major Red Sea resort as a result of Egyptian and foreign investment that began in the 1980s. Holiday resorts and hotels provide facilities for windsurfing, kitesurfing, yachting, scuba diving and snorkeling. The city is known for its watersports, nightlife and warm weather. Daytime temperatures are around 30 °C (86 °F) most of the year, and during July and August temperatures can reach over 40 °C (104 °F). Come and live your adventure with **EUROLATINO**.*
